ACADEMIC QUALIFICATIONS

Year	Qualification	Institute	CGPA/%
2023–27	B.Tech (Electrical Engg.)	Netaji Subhas University of Technology, Delhi	6.67/10.0
2022	Class XII (CBSE)	Kendriya Vidyalaya Andrews Ganj, New Delhi	82.6%
2020	Class X (CBSE)	Kendriya Vidyalaya Andrews Ganj, New Delhi	81.6%

WORK EXPERIENCE

Business Analyst Intern | Spraykart

May'26 – Jun'26

Objective	• Diagnosed sales, retention, and checkout drop-off issues for a D2C fragrance brand by building analytics from raw order/cart data and benchmarking against competitors
Approach	• Built a 9-sheet workbook (2,300+ orders, 25 SKUs) covering weekly sales, best-seller/dead-stock, discount effectiveness, repeat-cohort, cart abandonment, COD/RTO, and unit-economics models • Ran competitor pricing, shipping, and COD benchmarking plus review mining against Scentira & Perfume Gyaan
Outcome	• Found 69% cart abandonment (Mobile 72% vs. Desktop 61%) and 31% repeat-purchase rate ; flagged a live shipping FAQ-vs-policy mismatch and 2 SKUs priced below a key competitor

KEY PROJECTS

Banas Dairy — Sales & Business Strategy Analysis | JBS Research Apprenticeship, University of Cambridge

Objective	• Analyzed 11 inconsistently structured sales files to uncover store-level performance gaps and build a unified strategic dataset
Approach	• Cleaned 1.06M+ transactions (Rs. 28.17 Cr) using Python & Pandas; standardised headers and resolved anomalies • Ran EDA across stores, categories, and monthly trends to identify revenue and penetration gaps
Outcome	• Found a 30x revenue gap between top/bottom stores; FMCG at 7.1% vs. Staples 40.5%; delivered 3 recommendations at 3.5–4x ROI

Zomato Gold Retention Strategy — Case Study | Team Project

Objective	• Diagnosed why Zomato Gold loses 45% of users after 3 months and proposed a strategy to convert it from a discount tool into a daily habit
Approach	• Ran primary research (71-user survey), built 4 user personas, and mapped 11-touchpoint user journeys to locate checkout and post-order leaks • Benchmarked against Swiggy One, EatSure Elite, and ONDC; prioritized 8 surfaced problems into 4 bets using the RICE framework
Outcome	• Led with “Gold Everywhere” — one membership across Zomato, Blinkit & District (top RICE score 8.1) — plus Gold priority support and a 30–35 min lunch-delivery promise; projected D90 renewal 18% → 38%

ACADEMIC ACHIEVEMENTS AND CERTIFICATIONS

- **Database Management Systems (DBMS): A+ grade** — relational models, SQL, normalization, transactions & concurrency control.
- **NPTEL – Innovation, Business & Entrepreneurship:** 78 percentile (Top 2%) — business strategy, startup ecosystems, entrepreneurial thinking.
- **NPTEL – Design Thinking:** 87 percentile — HCD frameworks, empathy-driven problem solving, ideation, and prototyping.

POSITIONS OF RESPONSIBILITY

University Sports Captain | NSUT

Ongoing

- Managed end-to-end university sports events (50+ participants); oversaw scheduling, logistics, and conflict resolution with zero failures. **Basketball Tournament Winner** — NSUT Inter-Branch & Inter-Year (2024 & 2026); mentored junior athletes.

Logistics Team Head | Moksha, NSUT

- Executed multi-venue logistics for NSUT's flagship festival (3000+ attendees); coordinated vendor scheduling, crowd flow, and on-ground contingency planning across multiple zones.

NSS Operational Executive | NSUT

- Managed on-ground operations for NSS initiatives — coordinated with the logistics team, volunteers, and school teachers; oversaw student transportation and food arrangements alongside career counselling in Government schools and polling booth duty during elections (10+ hrs/day).

EXTRA-CURRICULAR ACTIVITIES AND ACHIEVEMENTS

- **Round 2 Qualifier, BrAINWARS 2026** | Bain & Company — Advanced past the initial Brain Blitz screening round out of **1,700+ teams** (6,800+ participants) competing pan-India.
- **National Shortlist, Smart India Hackathon 2025** — Advanced past college screening to the national shortlist of **4,000 teams** (out of 86,000+ registrants) for *SafeTrail*, a blockchain-based tourist safety platform.
- **Udhgosh 2023, IIT Kanpur Quarterfinalist** | **350+ problems** on [LeetCode](#) & GeeksforGeeks.

OTHER INFORMATION

- **Technical Skills:** C++, SQL, Python, PowerBI | **Tools:** MS Office, Google Workspace, Canva | **Soft Skills:** Leadership, Research & Analysis, Communication, Team Collaboration | **Languages:** Hindi (Native), English (Proficient)
